EKFAD43

43インチのデジタルポスターディスプレイ

機能紹介

- 解像度1920 × 1080
- 輝度500nits
- Android 11/Andorid7.1,2G+32G
- ライト付きの台座
- 色はカスタマイズ可能

Specification/仕様

ディスプレイ

モデル	EKFAD43
スクリーンサイズ	43inch
解像度	1920×1080
輝度	500 nits
コントラスト比	1200:1
視野角(H/V)	178°/178°
バックライト寿命	30,000 Hrs (Min.)

内臓プレーヤー

OS	Android 11/Android 7.1
CPU	RK3568/R3288
RAM	DDR3 2GB
ROM	EMMC 32GB
Network	Wi-Fi2.4G (802.11b/g/n) , Bluetooth 4.2
I/O Interface	USB OTG x1. USB host X1, Audio out X1, HDMI OUT x1

パワー

電源装置	90-240V
消費電力	≤ 50 W

環境温度/湿度

操作温度	0°C~50°C
操作湿度	20%~80% RH

機体

ベゼル	/
ボディサイズ	582*1159*411mm
重量	29kg

保証ポリシー

Warranty Policy

- For all EKAA standard products, we officially promised warranty time is one whole year (12 months) from the date after delivery. but 2 to 5 years warranty period is also available.
- All products will undergo strict QC testing before packing and ensure that the packaging meets the safety of transportation.
- Our customers will enjoy free product training services and technical support from EKAA.
- If the goods are damaged for transportation, the customer should request to provide proof of damage to the shipping agent and file a claim with the shipping insurance company immediately.
- The free warranty service could not be offered if the product is damaged due to force majeure factors, transportation, human damage or misuse. Client is responsible for purchasing the corresponding accessories or spare parts and undertakes round-trip transportation. Including The product has been misused, abused, or subjected to unauthorized disassembly/modification; The products are not operated in accordance with industry standards, placed in an unsuitable physical or operating environment; Problems are caused by the third-party software.
- If the quality problem of the machine is not caused by human beings, EKAA will firstly provide remote assistance to solve it within 24 hours; if it is a problem with the screen or other accessories, EKAA will send the accessories to client for replacement; if the machine cannot be repaired in the customer's local area, It needs to be returned to the factory for repair. According to the international RMA principle, one party bears the freight for one trip, and the customer bears the freight from the factory to the foreign country or ships with the next order.
- EKAA continuously support our customers for the products which are out of warranty, in that case, we will provide suitable repairing solutions at a reasonable cost.

Transportation Expense

Time	The type of damage	Freight
Within one year	Human damage	The customer is responsible
	Quality issues	One party bears one side of the shipping costs (we bear the sea freight)
Out of one year	Transport issues	The customer needs to provide the logistics company with proof of claim, which is borne by the insurance company
	Human damage	The customer is responsible
	Quality issues	The customer is responsible

Service Process

Our technical support team will ask some questions to confirm the product issues, and customers should cooperate to send model NO./Serial No, pictures and videos to our technical team. If our technical teams confirm its parts issues, replacement parts will be sent.
